

Under the federal “No Child Left Behind” law, schools must demonstrate Adequate Yearly Progress (AYP) in basic subject areas. Performance data must be broken down in multiple subgroups. Through the 2013-14 school year, four measurements are used to meet the federal mandate in Washington State.

1. Performance of 3rd–8th graders on the Measurements of Student Progress (MSP) and 10th graders on the High School Proficiency Exam (HSPE) in reading and writing and the End-of-Course (EOC) exam in math,
2. The rate of unexcused absences for students in grades 1–8,
3. The graduation rate for high school students, and
4. Participation rate of 95%.

Vancouver Home Connection did not meet Adequate Yearly Progress in 4 of 37 categories. For information about AYP including 2014 results: <http://reportcard.ospi.k12.wa.us/ayp.aspx?domain=AYP&groupLevel=District&schoolId=1&reportLevel=State&year=2013-14>.

School Improvement

Teachers and parents work together to make sure Vancouver Home Connection students are successful at school. They create a School Improvement Plan each year to identify and describe specific actions Home Connection is taking to improve student achievement. Parents are encouraged to contact the school to see Home Connection’s School Improvement Plan.

Our highly qualified staff

The ESEA law requires that all teachers who teach core academic subjects be highly qualified. Full certification, a bachelor’s degree, and demonstrated competence in subject knowledge and teaching are required to be highly qualified. In 2013-14, 99 percent of Vancouver’s teachers met or exceeded these standards, and they continue to improve their knowledge and skills with ongoing professional training.

For detailed information, go to www.vansd.org, pull down Schools, then select School Report Cards Data. Printed copies of school reports are available on request.

Annual measurable achievement progress (2010-2011, 2011-2012, 2012-2013)

Under Washington’s ESEA Flexibility Waiver (2010-2011, 2011-2012, 2012-2013), the state set performance targets referred to as Annual Measurable Achievement Objectives (AMAOs) for districts:

- **AMAO 1** - the annual increase in the number or percentage of ELL students making progress in learning English, based on results of the Washington English Language Proficiency Assessment (WELPA).
- **AMAO 2** - the number or percentage of students attaining English proficiency by exiting the ELL program by scoring a Level 4 on the WELPA.
- **AMAO 3** - the number or percentage of students learning English who reach academic standards in reading and math based on performance on the Measurement of Student Progress (MSP) and the High School Proficiency Exam (HSPE).
