The plan is developed in eighth grade and reviewed annually by students in cooperation with counselors, career specialists and parents.
 - This plan outlines equivalency credit, dual credit and Personalized Pathway options
3. The **resume** will prepare students for a successful transition to work and other post-high school opportunities. (Completed in 11th Grade English)
4. The **budget** will be completed as part of a financial literacy unit of instruction in the classroom designed to increase awareness of important financial information and skill-building for life-readiness. (Completed in 12th)
5. To incorporate the **family connection**, students will be given the opportunity to share the components of their High School and Beyond Plan annually with parents as part of the student-led conferences. Students can share their profile with parents from the top right corner of their Xello account, and families are invited to join the Xello Family Portal for full access to the platform.
