

VANCOUVER PUBLIC SCHOOLS Family-Community Resource Center

2019-2020 Impact Report

Areas of impact

Family-Community Resource Center (FCRC) staff connect students and families to basic needs, health and social service referrals, enrichment activities and family engagement opportunities, and other resources. In 2019-20, with support from community partners, FCRC staff mobilized resources to address the following needs:

Basic needs

- 1,400 children and 450 adult caregivers accessed clothing through donations and thrift store vouchers
- 1,500 children were supported by housing stabilization programs
- 500 children from 175 households received utility assistance
- 9,700 children and 6,400 adult caregivers accessed over 42,000 lbs of fresh food and 16,500 shelf stable food bags at school-based food pantries
- More than \$200,000 worth of in kind donations including food, clothing, school supplies, household goods, hygiene supplies, and books distributed

Health

- 675 children received an average of 2,000 hours of mental and behavioral health services through school-based mental health partnerships

Enrichment and Engagement

- 2,000 children participated in enrichment clubs and mentoring activities
- 10,500 children and 9,800 adults participated in family engagement

Early Learning

- 649 children age birth-5 and their adult caregiver participated in 1-2-3 Grow and Learn program

What's next

Realizing the promise of Full-Service Community Schools

After more than a decade of the expansion of FCRCs, in 2020-2021 the district will launch a \$2.4 million Full-Service Community Schools project, funded by the Department of Education. This will bring to scale community school resources and partnerships throughout VPS.

2019-20 Community Support

Total Value:
\$6.9 million

52% Partner Provided Programming

33% Donated Goods & Services

15% Direct Funding from Partners

Leveraging Resources

For every \$1 of district funding, \$4.25 of resources and services are leveraged through community partners.

Vancouver Public Schools is a Coalition for Community Schools partner and member of the Digital Promise League of Innovative Schools. VPS has been nationally recognized for excellence in Community Schools, digital transformation, programs of choice, and green schools.
